

Alaska Hearing and Tinnitus Center Audiology Externship

Location: Anchorage, Alaska

Stipend Provided

Hours: Monday - Thursday; 8 hour work day

Setting: Private Practice

Attire: Scrubs provided

Start Date: Mid-May

Our private practice in Anchorage, Alaska is offering an externship opportunity that combines comprehensive clinical training with a focus on tinnitus care and management. This externship is ideal for audiology students who want to develop diverse clinical skills with a special interest in developing their skills in tinnitus care. Opportunity to discuss permanent position upon completion of externship.

Why Choose This Externship?

- Clinical training with a variety of patient populations
- Mentorship & professional development
- Practice healthcare in underserved community
- Utilize telehealth to improve hearing healthcare access
- Private practice business insight

Clinical Experiences & Learning Opportunities

Externs will receive comprehensive training in a full scope of audiology services, including:

- Tinnitus Assessment and Treatment
- Hearing Aids & Amplification
- Diagnostic Audiology
- Pediatric Diagnostic and Hearing Aids
- Cerumen Removal
- Adult Cochlear Implants

Giving Back: Local & Global Impact

Our clinic is committed to giving back to our local and global audiology community. As a member of Entheos, we donate all hearing aids to be repurposed for individuals in need. We also are committed to giving back to our local community and participate in local and state advocacy for hearing and tinnitus healthcare, engage with local nonprofits, and host community outreach initiatives.

Mentorship & Professional Development

Our clinic is committed to supporting and mentoring externs throughout their experience. We provide:

- **One-on-One Mentorship** – Work closely with experienced audiologists who provide direct supervision, feedback, and professional guidance
- **Workshops & Conferences** – Opportunities to attend industry events, including regional or national audiology conferences and professional development opportunities
- **Team-Based Learning** – Participate in staff meetings and collaborative patient management to develop well-rounded clinical decision-making skills

Living in Anchorage, Alaska

Beyond clinical training, externs will have the opportunity to experience Anchorage and the surrounding area:

- Outdoor Recreation – Endless outdoor activities including hiking, biking, camping, fishing, skiing, skating, etc.
- Community Festivals & Events – Enjoy local traditions, live music, and farmers' markets.
- Local Dining – Experience local restaurants and fresh seafood!
- Easy Access to nearby towns and attractions including Seward, Homer, Denali National Park , and more!

Benefits:

- Stipend
- 4 day work week

Who Should Apply?

We are seeking a motivated, compassionate, and driven audiology student who is eager to gain exceptional clinical skills in hearing and tinnitus care in a private practice setting.

We follow the ACEN Externship timeline. Please submit your cover letter, resume, and 3 letters of recommendation to Dr.McMahan@akhtc.com by 9/17/2025
